OFF-ROAD *Campers*

COMPACT 2

The Conqueror Compact is no ordinary camper. Perfectly balanced, light weight and packed with Conqueror's signature comfort and luxuries this camper is perfect for just the two of you or a small family. Manufactured from durable motor industry materials and assembled using aeronautic build techniques the Compact will take on any challenge.

With a Conqueror Compact you'll find it difficult not to take on the toughest road trip and you can be rest assured we've got you covered. Whether you are planning a short weekend away, long stay at the coast or exploring Africa's back roads we offer a range of awnings that will suit your specific requirements.

Our selection of awnings ranges from a large 6m x 6m awning, L-shape or kitchen awning to a uniquely designed Insta-Awn with integrated drop-down legs for quick and effortless setup.
