

UEV-25 URBAN ESCAPE VEHICLE

THE ULTIMATE IN LUXURY

Off-road caravanning just reached a new level. Designed to combine luxury and comfort with Conqueror's unmistakable rugged look and legendary performance, the UEV-25 sets a new benchmark in adventure travel. Built with an all-new suspension system and aeronautical-grade composite materials, the UEV-25 offers exceptional durability, insulation, and weight efficiency. Its industry-first patented side bed design ensures a quick and effortless setup — allowing you to be ready for camp in just minutes.

SPECIFICATIONS

Engineered for quick and effortless setup, the Insta Awn features a uniquely designed frame with telescopic arms and integrated drop-down legs. With no need for additional support poles, it can be deployed in just minutes, providing hassle-free shade and shelter. Manufactured from premium-grade materials, the Insta Awn is built to withstand the toughest outdoor conditions, ensuring lasting durability and reliable performance on every adventure.

Quick-Fold Bed The patented Quick-Fold Bed is an industry-first innovation that sets up in under two minutes. Featuring a secure hard-wall design, it offers greater privacy, durability, and protection compared to traditional fold-out beds—delivering comfort and peace of mind wherever your journey takes you.
